Career Development

CODA Inc., Portland, OR, 2011 – Present

Residential Counselor

Coordinated with treatment team across multiple departments to provide counseling, skill development, and social services to clients, through creative problem solving.

- Personally requested by multiple clients to act as case manager
- Shown excellence in time management, through on-time submission of state mandated documents; And reliability, through perfect attendance in a 4 year span
- Gained respect from peers, while also being promoted to one of lead staff responsible for training new team members

Laurelhurst Village, Portland, OR, 2008 – 2013

Dietary Aide

Maintained accurate stewardship over development, preparation, and implementation of personal nutrition plans for over 150 clients.

- Created an alternate routine for meal planning, preparation, and delivery that was subsequently adopted by dietary manager that decreased the time needed to complete task and was more efficient.
- Shown excellence in job comprehension and growth, leading to a request from department manager to stay after formal resignation and accept promotion to chef.
